

Topplers Privacy Policy

This privacy notice discloses the privacy practices for Topplers. This privacy notice applies solely to information collected by this website. It will notify you of the following:

1. What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

Topplers is the sole owner of the information collected on this site. Topplers only has access to/collects information that you voluntarily provide via email or other direct contact from you. Topplers will not sell or rent this information to anyone. Topplers will use your information to respond to you, regarding the reason you contacted Topplers. Topplers will not share your information with any third party organization, other than as necessary to fulfill your request, e.g. to ship a domino. Unless you ask Topplers not to, Topplers may contact you via email in the future to tell you about events, news or special information, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from Topplers at any time. You can do the following at any time by contacting us via the email address or phone number given on the Topplers website: - See what data Topplers has about you, if any. - Change/correct any data Topplers has about you. - Have Topplers delete any data Topplers holds about you. - Express any concern you have about Topplers' use of your data. If you feel that Topplers is not abiding by this privacy policy, you should contact Topplers immediately either via telephone or email.

Security

Topplers takes precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. Wherever Topplers collects sensitive information (such as credit card data), that information is encrypted and transmitted to Topplers in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page. While Topplers uses encryption to protect sensitive information transmitted online, Topplers also protects your information offline. Only employees who need the information to perform a specific job (for example, event management) are granted access to personally identifiable information. The computers/servers in which Topplers stores personally identifiable information are kept in a secure environment.
